Flagship as Catalyst for Local Change

Core Ingredients of the UT Arabic Domestic Flagship Program

- **Intensive** teaching and learning
- **Well-articulated learning outcomes**
- **Enhanced cultural** content
- **Summer immersion**
- **Content-based** focus
- **Periodic assessment**
- **Individualized** attention to learners

How to Impact Change?

- Transform your departmental language program into a Flagship.
- Be a resource for other languages within your department.
- Reach out to colleagues in domain areas and other schools on campus who are interested in your language.

- 
- No one can argue with quality! Share your results with your deans and colleagues.
 - Demonstrate that Flagship standards are achievable with small investments by departments and schools.
